

BSCRA

British Slot Car Racing Association

Dear Member,

Your membership of BSCRA is due for renewal for the 2016 season and the enclosed SCRN **is the last of your current subscription**. The BSCRA realise that there have only been 3 issues of SCRN in 2015, due mainly to increased work load of Keith Gibson.

We are pleased to inform you that Pat Skene has agreed to take over production of SCRN for 2016 and will produce 4 issues.

In order to compensate for the missing issues for 2015 we are offering you a discount on the 2016 fees of £8, where applicable. Please see the 2016 rates below and be sure to use the correct renewal fee.

The BSCRA Council have also decided to extend the deadline for Nationals qualifying inclusion to **Monday 15th February 2016**. Please remember that renewal by this date is required if you are intending to compete in Area rounds and the 1/32nd scale National Championships. Membership is also required for entry into both 1/32nd and 1/24th British Open Championships and the 1/32nd Club Championship.
