RULES & REGULATIONS

1. One chassis per team (50 lap penalty for change of chassis or body)
2. Two body shells of the same type
3. No “Super “teams even at Club level (Race Director has final decision)
4. Betta and Classic 1/24th scale body shell of the cars that raced at Lemans 24hr between January 1965 - December 1970 only and must be cut no lower than the body/cut line.
5. Front wheel arches to be cut out, as per how they were raced back in the day. Front wheels must be visible and present – 5/8” Touch and Role
6. Minimum of 2 colours (but no fades, and colour means paint colour, not pen), 2 racing numbers and a 3d driver figure mounted in correct position.
7. Chassis
 - a. Champion Turboflex
 - b. Parma Flexi 1 or 2
 - c. Trinity Slotworks 4” chassis
8. Motors
 - a. Hawk 7 including Retro
 - b. Falcon 7
 - c. Mid America Eagle
 - d. Mid Eagle 605
9. Gears – 64 pitch 11/37
10. Rear tyres – Black sponge type - .8mm clearance on start line and .5 mm during the race.

Please note that Pinewood Raceway is currently running under Covid Rules with guidance from the Government and the requirement of the Pinewood Raceway Committee.

All attendees will be required to wear a face mask and provide their own hand sanitiser. You will also be required to provide evidence of vaccination or a current later flow test. There will be an attendees sign in sheet which must be completed.

The kitchen is out of bounds. We shall have cold drinks and confectionery on sale.

It is the responsibility of all racers to either take home waste and rubbish or use the wastebins provided.

Please sanitise your pit area on arrival and on leaving the Raceway.

Steve Clark
