- 15.00 Target finish time

Entry Fees

Entry fees per meeting will be £10 for adults, £5 for juniors (age 16 and under) and full-time students, and will be retained by the host club.

Classes

1	Intro 32	BSCRA Intro 32 class
2	Saloon	BSCRA 1/32 Saloon class, except motors to the regulations for Intro 32 (Falcon/Hawks) may be used in any chassis (the standard rules specify that Intro 32 motors are eligible only in Intro 32 and Super-Production class chassis)

See <https://www.slotcarracing.org.uk/rules/handbook.pdf> for details of the BSCRA rules.

Race Format

The race format is: in each class, each driver has a 1-minute qualifying run, fastest single lap determines driver's placing in a set of segmented finals, 4 x 3-minute segments, win from any final. This may be varied if the number of entrants makes the preferred system inappropriate and a majority of entrants agree.

Championship Points

There are 4 races, consisting of the 2 classes (Intro 32 and Saloon) at each of the 2 meetings.

The points scored per race is: 20 for 1st place, 19 for 2nd, 18 for 3rd,... 1 for 20th.

Each driver's best 3 scores from the 4 races will be summed to give the Scottish Championship scores.

Tie Breakers

The first tie-breaker is the best discarded score. If there's still a tie, the second tie-breaker is the highest number of highest positions (including both classes at both meetings). If that still doesn't break the tie, the final tie breaker is to add together the total number of laps completed in all 4 races.

Nationals Qualifying

The BSCRA Area 1 qualifying places for the 1/32 Nationals, scheduled to be held on the weekend of 29 Apr - 1 May 2023 in Corby, will be offered to the top drivers in the Scottish Championship.

If we get N qualifying places, the top N in the championship will qualify to race in all 3 classes at the Nats.
