

BSCRA Scottish Championship 2020 – Regulations

Eligibility

Everyone is welcome to race in these meetings, but only BSCRA members are eligible to score points.

Dates & Locations

Sunday 16 Feb 2020 Ecurie Barnton, Dunfermline

Sunday 15 Mar 2020 Highland, Invergordon

Timetable

- 09.00-10.00 Practice with priority to visitors
- 10.00-11.00 Open practice
- 11.00 Racing starts
- 15.00 Target finish time

Entry Fees

Entry fees per meeting will be £10 for adults, £5 for juniors and full-time students, and will be retained by the host club.

Classes

1	Intro 32	BSCRA Intro 32 class
2	Saloon	BSCRA 1/32 Saloon class, except that Hawk Retro motors may be used in any chassis (the standard rules specify that Production motors such as Hawks are eligible only in Production class chassis)

See <http://www.bscra.org.uk/rules/hbook2001.htm> for details of the BSCRA rules.

Race Format

The race format is: in each class, each driver has a 1-minute qualifying run, fastest single lap determines driver's placing in a set of segmented finals, 4 x 3-minute segments, win from any final. This may be varied if the number of entrants makes the preferred system inappropriate and a majority of entrants agree.

Championship Points

There are 4 races, consisting of the 2 classes (Intro 32 and Saloon) at each of the 2 meetings.

The points scored per race is: 20 for 1st place, 19 for 2nd, 18 for 3rd,... 1 for 20th.

Each driver's best 3 scores from the 4 races will be summed to give the Scottish Championship scores.

Tie Breakers

The first tie-breaker is the best discarded score. If there's still a tie, the second tie-breaker is the highest number of highest positions (including both classes at both meetings). If that still doesn't break the tie, the final tie breaker is to add together the total number of laps completed in all 4 races.

Nationals Qualifying

The BSCRA Area 1 qualifying places for the 1/32 Nationals, scheduled to be held from 8-10 May 2020 in Corby, will be offered to the top drivers in the Scottish Championship.

If we get N qualifying places, the top N in the championship will qualify to race in all 3 classes at the Nats.
