

Super Challenge

**Saturday 1st November 2025
National Slot Car Centre, Corby**

Two events to race, individual Genesis and 1/24 Production two person team race.

Event 1

Individual Genesis.

Class 1. For current Genesis spec cars with Hawk 7 or MA Eagle motors, or brushless Genesis chassis with MA Parma 3000kv motors. Brushless cars must be geared with 64p, 12T pinion, 33T spur. Due to the fact that the new Genesis spec ecom (AART/Mid America Trixie ecom) may not be available in time for the event, there will be a free choice of ecom. Genesis spec sports bodies.

Class 2. Brushless Genesis chassis with max of 4500kv motors.

Recommended gearing of 72p, 12T- 37T. Free choice of ecom. Genesis spec sports bodies.

Please note:- Prizes will only be awarded for Class 1. Brushless motors may be tested!

Event 2

Two person team race.

1/24th Production chassis. Either Hawk 7, MA Eagle motors, Hawk 9, or production brushless chassis, to max of 4500kv. Free choice of ecom. Free choice of gearing. Production saloon bodies.

Only max of one premier grade driver per team.

Due to potential performance differential, no prizes awarded for this event.

Just come and have some fun racing, and have some practice for the Southern 32 on Sunday.

Food will be available. Venue open from 8am. Plan to start racing at 11am due to people travelling. Entry fee £10 per event. Timetable published shortly.
